

K's for Haiti!

With five carnivals left to go and Haiti in crisis, we have the chance to turn our passion for skiing into some good in the world. Join us in pledging money per kilometer each race (any little bit helps) to add up to a large sum from the EISA that will be donated to the Red Cross at the end of the season.

Women:

\$0.10 per kilometer = \$8.00

\$0.50 per kilometer = \$40.00

\$1.00 per kilometer = \$80.00

Men:

\$0.10 per kilometer = \$11.80

\$0.50 per kilometer = \$59.00

\$1.00 per kilometer = \$118.00

... or any other amount!

Ask your coaches, professors, family, and friends if they would be willing to match your pledge per kilometer—together we can join together and help thousands in need!

Checks can be made out to Red Cross, or to make a donation visit www.redcross.org.

Thank you so much!
